

The Hampton Inn in Westport, which is the closest hotel to PRO Chemical & Dye, is where most students stay.

The rates for 2018 are:

April 1 – May 31 = \$92 plus tax

June 1 – September 30 = \$110.00 plus tax

October 1-31 = \$92 plus tax

Make your reservations as soon as possible. The block of rooms at this rate will only be held until 4 weeks prior to your scheduled workshop. After that, the rooms are available on a first come, first serve basis. Please use the code: *PRO Chem* when making your room reservations, to receive the reduced rates. Make your reservations by calling 508-675-8500 and give them the code for the reduced room rate.

All of the rooms have been remodeled and include coffee makers, iron, ironing board, and a 21" color TV. They offer a free deluxe continental breakfast with a wide selection of juices, fresh fruit, cereals, pastries and beverages.

If you are interested in sharing a room and need a roommate, give us a call. We'll add your name to our roommate list. Make sure you specify smoking or non-smoking. We'll connect you with a roommate and then you or your roommate can make the room reservations.

A list of other local hotels can be found below. There are many other motels in the area, not listed here, that are less expensive, however we do not know the quality of the accommodations. Please let us know if we can be of any further assistance to you. See you soon!
